

Cancer Patient Family Network

If you or someone close to you has had cancer, we want to hear from you. We'd like your advice and feedback on ways to improve the cancer system in Nova Scotia. Stay in touch with the Nova Scotia cancer system by joining the Cancer Patient Family Network. It's free and it includes people from all parts of Nova Scotia. This is your chance to help make the Nova Scotia cancer system better.

As a member, you will have the opportunity to...

- receive the *Cancer Care Nova Scotia* newsletter.
- get updates on events of interest to cancer patients and families.
- become involved in cancer system improvement processes.
- provide valuable insight and reflection on ways to strengthen the cancer system.
- advocate on behalf of all cancer patients.
- build on existing resources to help strengthen your local cancer community.
- be part of a community who ultimately want to enhance the cancer system across the province.

Sound interesting? Why not register today?

To become a member of the Cancer Patient Family Network, please complete the form below and mail, email or fax to:
